## Undertaking

To

The Chairman

CBSE, New Delhi

Subject - Regarding submitting Undertaking for the clarification of dimension of all labs, library & class rooms.

Sir

We would like to bring your kind attention towards our humble request that we had applied fresh affiliation of our school up to senior secondary level but after the physical inspection of IC committee members, they have recommended our school affiliation up to secondary level. As we have separate labs for Physics, chemistry and Biology with 1200 sq. metre, Maths and sst also. Also mentioned that proper dimensions of rooms are not there but I firmly affirm that all labs including all class rooms are made up of as per the laws of affiliation of CBSE norms. Yesterday, I got a call from the board that in report the dimensions of rooms are not according to CBSE norms. For this clarification I am submitting this undertaking that all are having according to the norms. Now, I humbly request you to allow us to upload this undertaking on portal as per the instructions given by you. Once again, I humbly request you to please taking consideration of my plea please grant us the affiliation up to senior secondary level of our school. We will be highly obliged to you for your kind consideration.

*Pessy Jose - C*  
*12/5/22*  
Yours faithfully
